

St Joseph's RC Primary School, Ushaw Moor Sports Premium 2019-2020

Our sports premium allowance for 2019-2020 is £16,900. Our premium will be used to fund additional and sustainable improvements to the provision of PE and sport and to encourage the development of healthy, active lifestyles. The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. Justification for the use of our allowance this year is outlined below, based around the 5 key indicators for improvement in schools, as detailed in the DfE guidance around PE and the Sports Premium for Primary Schools.

Key Indicators

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

*** Please note**

The Department for Education has also confirmed that any PE and Sport Premium funding from the current academic year (2019-20) that schools were unable to use as a result of the coronavirus pandemic can be brought forward to use in the next academic year, giving school leaders an opportunity to develop or add to their existing provision, or to make improvements that will benefit pupils joining the school in future years.
